

We Need Your Help!

Dear St. Pius X Catholic School Parents and Students,

We need your help to **Save Our Subscriptions!**

We are not asking you to spend additional money on your subscriptions. We are only asking that the money you would normally spend is redirected and spent on magazines through our school instead of going directly to the publishers. With this great program, 40% of the purchase price of every subscription sold comes back to us! Customer satisfaction is 100% guaranteed!

If you are ready to purchase or renew magazines now, you can support us today by shopping online! Visit www.QSP.com. Register using our school code **1082427** and make your selections and our school will retain 40% and your child will get credit towards this year's new & exciting Prize Program!

This year, more than ever, we are depending on this program to raise much needed funds for our school. We depend on your participation and EVERY ORDER COUNTS!

Plan ahead and help even more!
