PHILOSOPHY

St. Pius X School is a Christ-centered community rooted in the traditions of the Catholic faith. A strong Catholic identity invites all to call, to teach, and to challenge the community to experience Christ through life-long relationships, instruction, service, and prayer.

St. Pius X School offers a comprehensive, integrated curriculum and strives for the formation of the whole person. Empowered by a strong educational partnership between the school and parish community, St. Pius X School motivates and nurtures the learner.

This learning environment is built on Gospel values and the charism of the Sisters, Servants of the Immaculate Heart of Mary. The dedicated lay and religious staff prepares the school community for the challenges of a constantly changing society and a Church called to grow in wisdom and grace.

ADMINISTRATIVE PROCEDURES

ADMISSION POLICIES

Equal Opportunity Policy

It is the policy of the Diocese of Richmond and of St. Pius X School not to discriminate against any person on the basis of race, creed, color, religion, sex, sexual orientation, age, national origin or handicap.

Age requirement for admission:

PRE-SCHOOL: Three (3) years of age
 Four (4) years of age

KINDERGARTEN: Five (5) years of age by September 30

Parents applying for admission for their child to attend St. Pius X School must complete the following steps:

1. Call the office or go online at www.stpiusxschoolva.org for a registration form
2. Send or bring a copy of the child's current report card (grades 1 - 8)
3. Call to set up an interview with the child, parent(s), and the administration
4. Upon registration the following documents must be presented:

Birth Certificate

Social Security Number

Baptismal Certificate

Immunization Record

Registration Fee

5. A probation period of the first trimester exists for all new students. Any child who, after admission, does not perform satisfactorily either academically or behaviorally will have a family meeting with the administration and may be asked to withdraw from school.
6. Parents must inform school officials of any testing (psychological, physical, learning disability, etc.) that has been done for the child. All information will be held in confidence.

FINANCIAL POLICIES

The following fees are due to the school on an annual basis:

- A yearly non-refundable registration fee is charged per child and due at the time of registration.
- Tuition may be paid in full either by check, cash, or credit card by July 1st or on a ten-month payment plan. F.A.C.T.S. Tuition Management is the company through which monthly payments are made. If the ten-month payment plan is chosen, the payments must be made through an ACH transaction debited from your checking/savings account each month. There is a one-time processing fee for signing up with F.A.C.T.S.
- Activity Fee (one payment per child enrolled based on grade level and due by July 1st) covers textbook rental, ownership of workbooks, consumable supplies, student magazines, standardized testing, Diocesan insurance, technology and library updating.
- A \$25.00 fee will be charged on all returned checks.

TUITION ASSISTANCE

Tuition assistance is available to registered St. Pius X School families. Families must apply through www.factstuitionaid.com. The results are reviewed prior to tuition assistance being granted. Should tuition assistance no longer be needed during the course of the school year, please notify the finance office.

Students who are receiving tuition assistance must maintain passing grades academically as well as in conduct and effort for each trimester of the school year. If this expectation is not met, the tuition assistance will be revoked. It is the obligation of the parents to finance the child's education to the extent that they are able and to assist the school or the parish with volunteer work.

TRANSFERS/WITHDRAWALS

Parent(s)/Guardian(s) must complete a student withdrawal form at least five days prior to the date of leaving. Forms are available in the school office. All textbooks and library books must be returned and all accounts settled prior to the release of records to the transfer school.

DAILY SCHEDULE

- Before 7:45am, students report to the morning CARES Program. Fees will be accessed accordingly.
- At 7:45am, students are admitted into the school building.
- At 8:00am, the late bell rings and at 8:05am morning prayers begin.

- At 3:10pm, school dismisses. Every Wednesday is a 2:10pm dismissal.

ATTENDANCE

General Attendance

Regular attendance is primarily the duty of parents. Sporadic and long-term absences can seriously affect the academic performance of a student.

Students should not stay home to complete school work nor should they be absent for trips or appointments which could be scheduled outside school time. Absences/tardies in any combination which exceed 10 days in any trimester will warrant a conference with the teacher and the administration to discuss the student's absences. Students with excessive absences loses valuable learning time. Excessive absences may result in the repeating of the academic year.

No work will be given before an absence. All missed work and missed tests must be completed according to the following guidelines:

- For a one (1) day absence, the student should take the test/quiz on the first full day back.
- In the case of serious illness, the number of days absent will dictate the number of days allowed for makeup work.
- Example: Out 3 days - the student would have 3 days to make up the work OR prepare for the test/quiz which would be due on the 4th day back.

Absence

When a student is absent, please observe the following procedures.

1. The parent should call the school office at 588-6171 prior to 8:00am on the day that a student is absent. Leave a message with name of child, room number and reason for absence on the answering machine.
2. The student must also bring a NOTE signed by the parent and clearly stating the dates of absence, REASON of absence and the student's name and room number. The notes are required by law and are to be kept on file for one year.
3. Absentee notes must be presented to the homeroom teacher on the morning the student returns to school.
4. For reporting purposes, an absence of more than 3½ hours (3 hours on Wednesdays) is considered a half-day absence.

Lateness

A student who arrives late (after 8:00am) must report to the office for a late slip. He/she must also sign-in accompanied by a parent. A student's permanent transcript carries the total number of late arrivals per year.

Request of Parents Regarding Absences and Latenesses

Parents are requested NOT to write excuses for students who wish to stay home and/or arrive late to avoid taking tests, extend deadlines on notebooks, themes or term papers or to provide extra study time for tests.

Homework Requests

Parents who wish to request homework for a student who is absent should do so by:

- requesting the work when calling in the child's absence in the morning,
- homework can be picked up from the office after 2:45pm (or 1:45 pm on Wednesday).
- Also, check www.stpiusxschoolva.org for the new Edline link.

LEAVING SCHOOL EARLY

We discourage medical, dental, and optical appointments during the school day. However, in such cases, a note written by a parent should be sent to the teacher via the student in the morning. This note should include the student's name, room, the reason for the request, the date, and time of pickup, and (if applicable) the expected time of return.

- Parents are to come to the office to pick up the student and must sign the student out prior to leaving the premises.
- No one may go directly to the classroom to pick up a student.

DISCIPLINE POLICIES:

The essence of Christian discipline is self-discipline. St. Pius X students are expected to exercise self-control and conduct themselves properly at all times with courtesy, decency, respect for lawful authority, appropriate and respectful language, honesty, and wholesome relationships with peers. School activities are defined as any activity on the premises of St. Pius X School or school sponsored activity off the premises of the school.

The St. Pius X School discipline policy attempts to set clear limits on what constitutes acceptable and unacceptable behavior. Violations are divided into rule violations and law violations which are in conjunction with our local public school system's codes. A student who violates any of the codes is subject to disciplinary action which may include detention, suspension or expulsion as defined below. Law violations may also result in court action. The principal is the final recourse in all disciplinary infractions and may waive any disciplinary rule for just cause at his/her discretion.

If such item is confiscated again, the item will be kept until the end of the current school year

The rule does not apply to normal school supplies such as pencils or compasses unless they are used as weapons.

ANY STUDENT COMMITTING A LAW VIOLATION MAY BE EXPELLED IN ACCORDANCE WITH DIOCESAN POLICY.

DETENTION

Detention may be imposed by the Administration and/or faculty member(s) for infraction of school/classroom rules. A detention notice will be issued on the day of the infraction. It is to be signed by a parent and returned to the office the following morning before 8:20am. If a student fails to return a notice, a phone call will be made to inform the parent of the detention. The time of the detention will be stated on the notice. Any child not picked up by the specified time will be placed in the C.A.R.E.S. Program at the expense of the parent.

DISCIPLINARY PROCESS

Rule violations are handled by individual teachers with the possibility of parental notification. If the violation is repetitive and/or of a more serious nature, the administration will handle the situation in the following manner:

1st offense:

- Administrative conference with student and/or phone call to student's parent/guardian. The phone call serves as the first warning in the disciplinary process.
- Documentation of conference and phone call placed in student's file.

2nd offense:

- Automatic suspension of student and conference with administrator, parent/guardian, teacher and student.

- Documentation of suspension and conference signed by all of the above and placed in student's file.

3rd offense:

- Student receives automatic suspension and is put on disciplinary probation for the remainder of the year.
- A conference with administrator, parent/guardian, teacher and student where a verbal and written warning will be issued to the student which states that any subsequent violations will result in expulsion from St. Pius X School.
- Documentation of suspension, conference and warning will be signed by all of the above and placed in the student's file.
- The same documentation will also be sent to the Office of Catholic Schools in Richmond, Virginia.

SUSPENSION

The school views suspension as a way of alerting parents to significant problems in discipline as well as providing strong reinforcement so that the student may improve in attitude and behavior. Two types of suspension may be issued.

In-school Suspension - student will report to the office instead of attending regular classes.

At Home Suspension - student is removed from school for the duration of the suspension. During this period the student is forbidden to be on the grounds, enter the buildings, or attend any extra-curricular activities of St. Pius X School.

EXPULSION

Expulsion is the permanent removal of a student from the St. Pius X School Community.

- Major infractions of school and law violations or any other activity deemed a major infraction by the administration will immediately render a student subject to expulsion.
- This includes, but is not limited to, any violation of the criminal code or an incident involving the police.

CUSTODY

Parents are asked to inform school personnel regarding custody issues to insure the well being of children.

St. Pius X School is guided by the provisions of the Buckley Amendment regarding non-custodial parents. In the absence of a court order to the contrary, a school will provide the non-custodial parent with access to the academic records and to other school-related information regarding the child. If there is a court order specifying that there is to be no information given, it is the responsibility of the custodial parent to provide the school with an official copy of the court order. A copy of the court order will be kept on file.

St. Pius X School offers a comprehensive religious education program and high school preparatory curriculum. All students at St. Pius X must take religion courses. St. Pius X requirements for grade promotion are the same as those required by the prescribed course of study from the Diocese of Richmond and the Commonwealth of Virginia.

Library skills for all grades are taught by classroom teachers. All students have open access to the library.

ACADEMIC POLICIES

Homework

Homework is an essential part of the total educational process of the student. The purpose of homework is to reinforce learning and develop study skills so that the student may become an independent learner. Homework includes both written and study assignments. Students are required to write all assignments in their copybooks.

The following time allotments are suggested by the school faculty for homework. This includes total written and study assignments. It should be understood that such factors as attention span, proper working habits, and study conditions make this time allotment a variable one.

Average Time Allotments

grades 1 & 2	30 minutes
grades 3 & 4	45 - 60 minutes
grades 5 & 6	60 - 75 minutes or more
grades 7 & 8	90 - 120 minutes or more

Tests, homework, and long-term assignments are the personal responsibility of the student. They should be completed with the honor that is always expected of a St. Pius X student.

Progress Reports

Progress Reports will be given to all students in grades PreK-8. The copy of the report must be signed by a parent/guardian and returned to the homeroom teacher by the designated date.

Grading

Report card averages are obtained by combining scores from written tests and quizzes, home and school assignments and projects, in-class oral participation grades, exams (gr. 6-8), and other activities assigned by classroom teachers. Neatness, completion and promptness of assignments are also taken into consideration in all grading aspects. Detailed explanations will be given by individual teachers at the beginning of the year.

The grading scale equivalents are as follows:

A= (93-100) B= (85-92) C= (77-84) D= (70-76) Failure (Below 70)

Report Cards

Diocesan standardized report cards are issued to students in grades K-8 three times a year. Distribution dates are listed on the school calendar located on the school website.

Parent/teacher conferences are scheduled after the first and second trimesters. Requests for appointments for additional conferences must be made in writing to the teacher so that an appointment time can be arranged.

The report card must be signed by a parent and returned by the student to his/her homeroom teacher. If it is impossible to return the report card by the designated date, please send a note to the teacher indicating the reason and the expected date of return. Parents will be notified by the office for report cards that are not returned.

A student who alters a report card or progress report will be suspended. A meeting of the parents/guardians, student and administration will ensue.

Multiple Failures

The administration will meet with parents and students who have multiple failures in major subjects each trimester. Any student who falls into this category will be put on probation for the following trimester. Two successive trimesters of multiple failures in major subjects may be cause for dismissal from St. Pius X School.

Students receiving tuition assistance must maintain passing grades both academically and behaviorally each trimester of the school year.

Honors Convocation

In recognition of academic achievement St. Pius X School will hold an annual Honors Convocation for parents and honored students. Honorees will be the top three academic students from grades 4 - 7 along with those having achieved principal's list, first, and second honors over three consecutive trimesters. A service hours award will be given for those students' in grades 6 & 7 with the highest number of service hours.

Academic Failures

Summer school is required for any student in grades 3-7 who has one or more failing final average on his/her report card. Failure constitutes a "cumulative" grade in a particular subject area of less than 70 or a letter grade of F. 64 hours of remediation is required for all academic subjects and 32 hours for resource subjects.

Therefore, students in grades 3-7 will not be admitted to the next grade level with a failing grade in an academic area unless they attend summer school.

St. Pius X offers summer school using the curriculum guidelines specified by the Diocese of Richmond. Summer school may be recommended for students who fail a trimester during the

school year. Also, if a student averages a 70 in two or more of the major subject areas (Math, ILA, Religion, Science, Social Studies and Foreign Language), summer school is strongly recommended. Science and Social Studies are considered Reading in the content areas and therefore, summer school for Reading is advised.

Retention

A child will be retained in a grade if:

- (1) he/she has a overall failing general average as noted in the last column of the report card, *or*
- (2) he/she has one or more failure(s) in a major subject and does not attend summer school.

A student who fails 8th grade may not repeat the grade at St. Pius X School.

CARE OF TEXTBOOKS/DESKS AND CHAIRS

Hard-bound textbooks are rented for the year. Any book which is lost or destroyed must be replaced at the current catalog price. Consumable books must be cared for and be in school for the duration of their use. All books must be covered and taken home in school bags. Clear contact paper may be used to cover student workbooks only. No contact paper is to be put on text books. Book covers are available in the school store.

Classroom desks and chairs are part of school property. They should be treated as a student's personal property. In the event of writing on, carving in, or any other defacing of desks or chairs the offending student will be held responsible for replacement at the current catalog price.

TECHNOLOGY

Computer equipment in the school is part of school property and students who abuse or misuse the equipment are subject to disciplinary action determined by the computer teacher and the administration. A Technology contract must be signed by student and parent prior to student use of school computers.

Abuse and/or misuse of this equipment is defined below:

1. Using equipment without permission of school authorities
2. Rough treatment of any equipment causing equipment to break or malfunction
3. Escaping/changing programs without teacher's permission or proper supervision
4. Interfering with another student's program or computer work
5. Programming the computer in an irresponsible way causing unnecessary delays or memory damage
6. Copying or attempting to copy a copyright protected program
7. Bringing in or use of disks which may result in a computer virus
8. Logging into the system under another person's name, student or adult
9. Hacking into St. Pius X teacher, administrative and record keeping files.

LIBRARY/MEDIA CENTER

- Library use is a privilege.
- No food, drink, etc. is allowed in the library.
- A fine of .10¢ for grades PK3 – 3 and 20¢ for grades 4-8 per school day is charged on overdue materials.

COMPUTER USE / INTERNET USE

St. Pius X School is pleased to make available to its students and teachers access to computer and Internet resources. It is only through the continued efforts of the St. Pius X community that this access is possible. The use of the computer technology and Internet access is an integral part of the educational goal of St. Pius X School. Our mission includes promoting educational excellence by facilitating resource sharing, innovation, and communication.

Internet access is coordinated through a complex association of government agencies as well as regional and state networks. Along with access to computers and people all over the world comes the availability of materials considered to be objectionable and containing no educational value. The staff at St. Pius X takes precautions to restrict access to controversial information. However, on a global network it is impossible to control all materials so an industrious user may discover or create controversial material. We firmly believe the valuable information and interaction available on this network far outweigh the possibility that users may procure material that is not consistent with the educational goals of St. Pius X School.

Before accessing the network or the Internet, students must be instructed on the aspects of security and ethics involved in using the network. This instruction is given by the computer/technology instructor.

A Diocesan computer/internet use contract will be given to all students at their first Technology class. This contract is to be completed and returned immediately. Access to all computers at St. Pius X School is prohibited until contract is returned.

CLINIC/HEALTH INFORMATION

ILLNESS OR INJURY DURING SCHOOL HOURS:

If your child has a specific medical problem it should be brought to the attention of the school nurse, teacher and the office by sending a note to each of them. A student who is ill will be permitted to report to the clinic after obtaining the teacher's permission to leave class. If the nurse is not in the clinic at the time of the illness the student should report to the office.

It is *ABSOLUTELY ESSENTIAL* that each student have an up to date emergency authorization card on file with the work telephone numbers of parents or guardian in the clinic and office.

HEALTH CONCERNS

Children should not be sent to school when they have symptoms of illness: temperature elevation, vomiting, diarrhea, a questionable injury occurring at home or when they have not fully recovered from an illness. A normal temperature reading for 24 hours following illness is a good indicator.

It is the responsibility of the parent to notify the teacher and nurse in the event of long-term or short-term health circumstances that could adversely affect a child's performance in school as a safety and health precaution. All such information will be kept confidential.

Parents must notify the teachers/nurse if there is temporary or chronic need for children to be excused to go to the lavatory other than normal or regularly scheduled breaks.

CHILD NEGLECT OR ABUSE

All Administrators, Faculty and Staff are required by law to report suspicions of child abuse and/or neglect to Child Protective Services.

MEDICATION

- All medication (including over-the-counter) must be brought to the clinic by a parent or guardian in a labeled container.
- Children may not be in possession of or take any medication on their own.

- Written orders from the physician detailing the name of the drug, dosage and time interval medication is to be taken, using the PHYSICIAN portion of the Medication Permission Form.
- A signature of parent or legal guardian requesting that the school comply with the physician's order.
- The medication is to be brought to the school by the parent or legal guardian in a container which is appropriately labeled by the pharmacy or the physician.
- If a parent or legal guardian is unable to deliver the medication to the school it is requested that permission in writing be sent to the school office to confirm that it is being delivered by the student with the completed form.

Please do not ask us to dispense medication unless it is absolutely necessary.

St. Pius X School, following the policy of the Diocese of Richmond, Virginia, does not discriminate with regard to students infected with HIV/AIDS. These students would be placed in classroom situations according to procedures operative for all students and are entitled to the

same rights, privileges and services. The individual's right to confidentiality will be maintained by those privileged to this information due to the role each plays in ensuring a quality school environment for the student.

All school personnel and volunteers are required to use universal precautions.

Decisions concerning admissions and changes, if any, in the educational program of the student infected with HIV / AIDS will be made on a case-by-case review by the principal in consultation with the Superintendent of Schools, and if necessary, other persons designated by the principal (i.e., school nurse, student's physician).

Parents, please instruct your child to wash his/her hands frequently, especially after using the bathroom and before eating.

All cuts should be covered with a band-aid. Any student whose clothing has been exposed to bodily secretions must change his/her clothes immediately; (i.e., blood, urine, vomit). This will necessitate a call to the parent unless a change of clothing is available at school. This is a federally mandated guideline as a precaution against Hepatitis B and HIV. We have the legal responsibility to notify the parent and have the student removed from school if a change of clothing is not available.

The above policy is also applicable to Hepatitis B. Beginning on July 1, 2001, all children will be required to have the three doses of the Hepatitis B vaccine prior to the first day of school.

C.A.R.E.S. PROGRAM (Children Are Receiving Extended Services)

During the School Year

The school offers a state-licensed supervised care program before and after the regular school day. This program is available beginning the first day of school and continues through the last day of school. Details are sent out annually at the beginning of each year. Any parent deciding to use this service after that time may obtain information and registration forms from the school office. There is an additional fee for this program and each student must have the proper forms completed before he/she enters the program.

During Summer Break

St. Pius X offers a state licensed summer program which begins the first weekday after school closes and continues through the last weekday of summer vacation. Registration forms and information on cost may be obtained from the school office.

Due to increased Virginia regulations, all St. Pius X students must complete a Social Services form. These forms cover the St. Pius X School licensure if/when a student not regularly attending the C.A.R.E.S. program is a drop-in.

CLUBS AND ORGANIZATIONS

Clubs and organizations present opportunities for students to become involved in activities which greatly enhance the building of community spirit in the school and parish. Clubs and organizations will be listed with a brief explanation of content, dates and times early in the school year. Students are encouraged to participate in these activities.

FUNDRAISERS

Fundraisers are one way that St. Pius X School strives to maintain affordable tuition rates, meet budget requirements and provide student benefits outside the general budget. Parental participation in the fundraising projects is appreciated. Information on these projects are provided at the beginning of each year and most are done on an ongoing basis. Details on individual fundraisers will be sent home in the weekly Communication Envelope and on the website www.stpiusxschoolva.org.

HOME AND SCHOOL ASSOCIATION

This organization is social in nature and plans activities for the children and their families. The membership drive for St. Pius X Home and School Association is held in the beginning of each school year. All parents of children attending the school are encouraged to become members. A student, parent, or teacher may ask for the counselor to have a student visit his/her office if and when the need arises. Parents who wish to speak to the counselor should leave a message with the school office and the counselor will return the call. The schedule will be made available at the beginning of the school year.

No student is allowed to go into the building during lunch time unless it is a case of an emergency and is approved by an adult.

GENERAL INFORMATION

CALENDAR

A yearly calendar is located sent home during the summer. An additional monthly calendar is sent home to list the dates and times of special events for that particular month. The family names on the calendar indicate those families each day who have been designated for prayer. These families are announced on the morning news program.

CELEBRATIONS

PreK - 5 grade teachers set individual policies concerning celebrations. Students bringing a treat for the class on their birthdays are to take it directly to their classrooms. Any other celebratory items (balloons, flowers, etc.) are discouraged and, if they arrive, will not be given to the student until dismissal.

Middle School parties are arranged collectively and specifics dates will be arranged.

CHANGE OF ADDRESS OR PHONE NUMBER

Parents are asked to inform the homeroom teacher and the office in writing of a change of address or phone number. All records will be changed to reflect the correct information. This is extremely important for emergency contact on behalf of your children.

COMMUNICATION ENVELOPES

In our effort to "go green" all weekly communication information will be posted on the school website www.stpiusxschoolva.org. Stop by the school office for a "hard" copy if you are unable to download the information.

The oldest child in each family will receive a communication envelope every Wednesday. . Parents are asked to read the information, remove all contents and sign the envelope on the appropriate line to indicate the information has been received, read, and understood. The envelope is to be returned on Thursday morning to the homeroom teacher. Printed copies of the lunch/breakfast forms and milk forms will be sent home in the communication envelope weekly. Breakfast/Lunch order forms must be received by noon on Friday, along with payment.

This is the school's policy for keeping families informed.

CONFERENCES

Parents wishing to speak with the administration should either send a note with the student or call the office and leave a message. If a discussion of a student's academic/behavioral performance is needed, parents are to conference with the teacher prior to requesting administrative involvement. A conference will be scheduled with the administration for parents of any student with multiple failures in a grading period.
